Re: Article X, Section 8: SMART Local Union 24
& Sheet Metal Contractors of Central Ohio

Ladies and Gentlemen:

The National Joint Adjustment Board (NJAB) for the Sheet Metal Industry met September 19, 2023 in McLean, VA to hear the above-referenced matter.

Ronald Wilburn and C.W. Park appeared on behalf of the Employers' Association. Rodney French and Jeff Hunley appeared on behalf of the Local Union.

A review of the record demonstrated that all procedural requirements had been met. The matter, therefore, was properly before the NJAB for decision.

Based on the record and testimony of the parties, the NJAB rendered the following unanimous decision:¹

The parties are directed to execute a three (3) year agreement, effective from June 1, 2023, through May 31, 2026, with the following terms and conditions.

Wage and fringe increases as follows.

6/1/2023	\$3.00
6/1/2024	\$3.00
6/1/2025	\$3.00

¹ Joseph Lansdell recused himself from this matter; he did not participate in the deliberations or the decision-making in this case.

Double time to start after ten (10) hours on Saturday as agreed to locally by the parties, provided that members must work all available regular scheduled straight time hours in the prior Monday—Friday week before Saturday as described in Article VI, Section 1.

No further changes, except those agreed to locally by the parties, are directed.

Your attention is directed to the following language contained in the Procedural Rules of the NJAB under Article X, Section 8 (a):

“The unanimous decision of said Board shall be final and binding upon the parties, reduced to writing, signed and mailed to the parties as soon as possible after the decision has been reached.”
